

# Utensili diamantati e CBN, legante resinoide

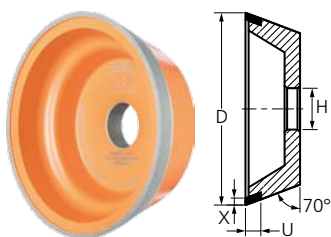

Utensili abrasivi diamantati

## Forma 1A1R

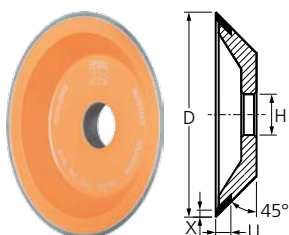

| Forma | D - T - X - H<br>[mm] | Legante | Concen-<br>trazione | Granulo-<br>metria | EAN<br>4007220 |  |
|-------|-----------------------|---------|---------------------|--------------------|----------------|-------------------------------------------------------------------------------------|
| 1A1R  | 100 - 1 - 5 - 20      | PHT     | C 75                | D 151              | 350096         | 1                                                                                   |
|       | 150 - 1 - 7 - 20      | PHT     | C 75                | D 151              | 806357         | 1                                                                                   |

Utensili abrasivi in CBN

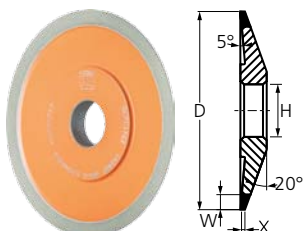

## Forma 11V9

| Forma | D - X - U - H<br>[mm] | Legante | Concen-<br>trazione | Granulo-<br>metria | EAN<br>4007220 |  |
|-------|-----------------------|---------|---------------------|--------------------|----------------|-------------------------------------------------------------------------------------|
| 11V9  | 100 - 2 - 10 - 20     | PH 4.1  | C 75                | B 126              | 350171         | 1                                                                                   |
|       |                       | PH 4.2  | -                   | B 151              | 535646         | 1                                                                                   |

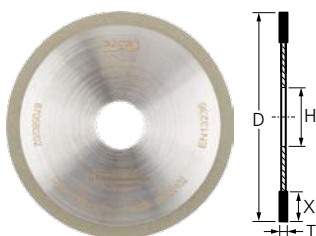

## Forma 12V9

| Forma | D - X - U - H<br>[mm] | Legante | Concen-<br>trazione | Granulo-<br>metria | EAN<br>4007220 |  |
|-------|-----------------------|---------|---------------------|--------------------|----------------|--------------------------------------------------------------------------------------|
| 12V9  | 100 - 2 - 10 - 20     | PHT     | C 75                | B 126              | 168707         | 1                                                                                    |

## Forma 4BT9

| Forma | D - W - X - H<br>[mm] | Legante | Concen-<br>trazione | Granulo-<br>metria | EAN<br>4007220 |  |
|-------|-----------------------|---------|---------------------|--------------------|----------------|---------------------------------------------------------------------------------------|
| 4BT9  | 100 - 6 - 1 - 20      | PHT     | C 75                | B 126              | 350126         | 1                                                                                     |

## Forma 1A1R

| Forma | D - T - X - H<br>[mm] | Legante | Concen-<br>trazione | Granulo-<br>metria | EAN<br>4007220 |  |
|-------|-----------------------|---------|---------------------|--------------------|----------------|---------------------------------------------------------------------------------------|
| 1A1R  | 100 - 1 - 5 - 20      | PHT     | C 100               | B 151              | 350102         | 1                                                                                     |
